**COOL
& DRY**

Exclusive
Air Ventilation
System

Patented vents prevent heat build-up while the cover's reflective middle layer keeps car cool.

Features :

- ▶ Ideal sunbelt fabric - keeps car interior cooler as it reflects sun and heat away
- ▶ Quality fabric successfully sold for over 15 years! - very popular with consumers
- ▶ Fabric invented by Coverite is the most recognizable fabric found all over the world
- ▶ 3-layer woven fabric coated w/ fine aluminum powder then sealed w/ polyurethane coat
- ▶ Also available in suvs, vans, and trucks
- ▶ Mirror pockets for that custom cover look and fit on car applications!
- ▶ With tie-down strap and buckle attached
- ▶ Speed-lock for security & faster installations
- ▶ Storage bag included
- ▶ Patented x-type air vents allows air to flow under cover helps to prevent heat build-up & aids cover from not billowing in high winds
- ▶ Handy drivers side door zipper allows consumer back into car without taking off the cover elastic hems for a snug fit with reinforced side grommets for easy tie-downs
